

Papier Mache Hand Puppet

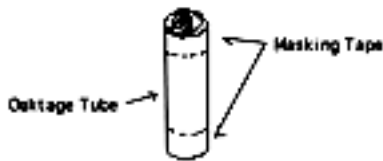

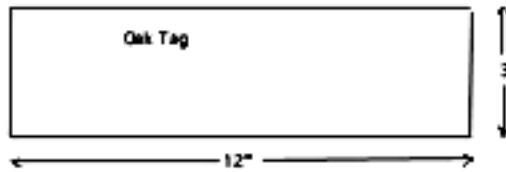

fig.1

Roll oak tag into tube that covers index and middle finger. Tape both ends with masking tape.

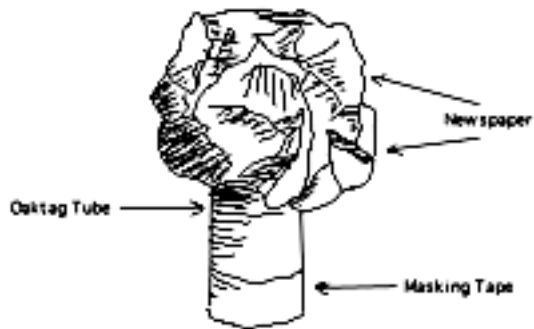

fig.2

Form newspaper around end of tube to shape head. Use masking tape to secure form to tube.

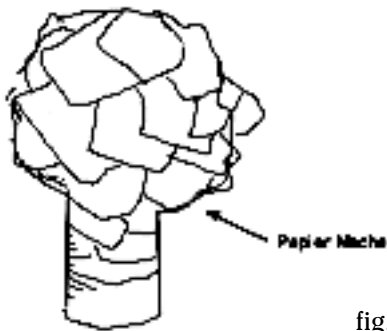

fig.3

Cover form and tube with strips of papier mache, at least 2-3 layers.

fig.4

Dried head can now be painted and decorated with yarn for hair.

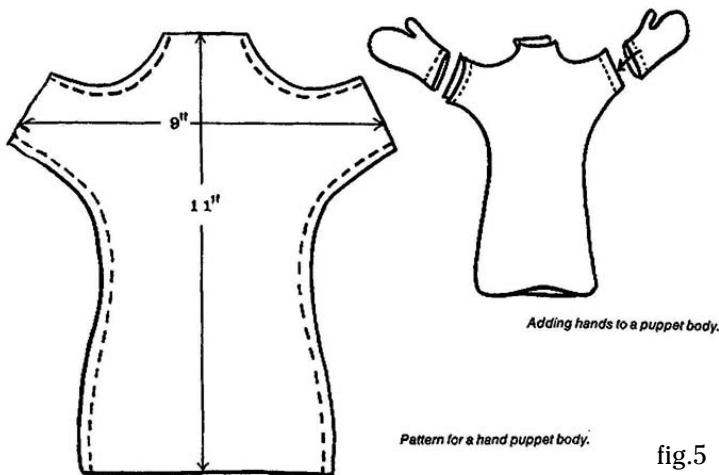

fig.5

Body(costume) can be cut out from loose fitting cotton fabric and sewn or got glued together. Hands can be made from felt.

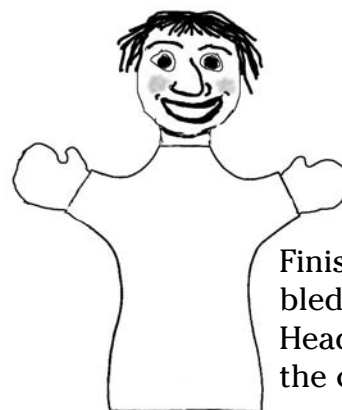

fig.6

Finished and assembled hand puppet. Head is hot glued to the cloth body.
