

DIRECTIONS :

- ① FIND A SUITABLE PIECE OF MATERIAL LARGE ENOUGH FOR 2 BODY PIECES. (A KNIT MATERIAL WORKS WELL BECAUSE IT "GIVES")
- ② FOLD MATERIAL IN HALF (FRONT TO FRONT) TRACE PATTERN, CUT OUT. USE DARTS ON CURVED EDGES.
- ③ USING A MACHINE, SEW WHERE THE DOTTED LINES ARE (REFER TO PATTERN), LEAVING ARMS, NECK AND THE BODY BOTTOM OPEN. HOT GLUE MAY ALSO BE USED INSTEAD OF SEWING.
- ④ TURN RIGHT SIDE OUT, TRIM ANY LOOSE THREADS, AND YOUR CHILDS PUPPET BODY IS READY -
